Despatch of materials: Speaking test materials for the **whole year** will be despatched after receiving centres' request by the 05/10/10 deadline above. Centres who start using Asset Languages later in the academic year and who wish to make entries for Speaking, should request Speaking tests materials as soon as possible. The materials will normally be despatched 4 weeks after receiving the request.

Listening, Reading and Writing test materials for **each series** will normally be despatched, on the basis of final entries, 7 to 10 days before a testing window begins.

* The deadline of 26/04/11 for returning Speaking tests for moderation is the first day of summer term for many centres. Centres are advised to send in tests before or during the Easter holidays to meet the deadline.
